The development of a Special Event Facility shall go before the Board of Adjustment for a special use permit and shall conform to all applicable standards. Any property used for a special event facility shall also comply with the following standards:

8.10.1 Purpose. The purpose of this section is to establish a set of regulations applicable to Special Event Facilities. These regulations are in addition to all other provisions of this

ordinance. In adopting these standards, Madison County finds that Special Event Facilities have the potential to be incompatible with surrounding residential uses, thereby having the potential for a deleterious effect on adjacent residents. Special regulations for Special Event Facilities are necessary to ensure they will be compatible with surrounding residential uses and will not act to harm or alter the neighborhoods they are located in.

#### 8.10.2 Permit

Any person, firm, or corporation wanting to construct or expand a Special Event Facility shall first submit an application and sketch plan to the Madison County Zoning Office. Applications shall contain all information this ordinance requires and any additional information requested by the Zoning Administrator. An application will not be complete until it contains all required and requested information. After an application is complete, the Madison County Zoning Office shall forward the application to the Madison County Board of Adjustment for a special use hearing.

#### 8.10.9 Signage

One On-Premise sign is allowed in accordance with the Madison County Land Use Ordinance.

#### 8.10.10 Existing Special Event Facilities|Non-conforming Uses

All Special Event Facilities legally in existence and use prior to the adoption of Section 8.10 may continue to operate during an amortization period of one year without being subject to the terms and conditions of Section 8.10. All Special Event Facilities shall designate a local contact person who shall provide their contact information, including email and phone number for business and emergency contact.

#### 8.10.13 Violation of Special Use Permit or Section 8.10

Except as specifically provided herein, if at any time after a special use permit has been issued for a Special Event Facility and it is determined that the conditions imposed and the agreements

made in the special use permit have not been or are not being fulfilled or there has been a violation of Section 8.10, the zoning administrator may issue a warning and the permit holder will have ten (10) days to come into compliance with all permit and ordinance requirements. Upon any subsequent violation, the County shall issue a notice of violation. Notices of violation may be appealed to the Board of Adjustment consistent with the procedures provided in this ordinance. If a special use permit is terminated due to the issuance of a notice of violation, it may be reinstated only after a public hearing is held before the Board of Adjustment, and the notice is either reversed or, in the event the notice is either affirmed or not appealed, a new special use permit is applied for and approved by the Board of Adjustment.
